DO YOU FEEL THIS WAY.
Do you feel all tired out? Do you sometimes think you just can't work away at your profession or trade any longer? Do you have a poor appetite, and lay awake at nights unable to sleep? Are your nerves all gone, and your stomach too? Has ambition to force ahead in the world left you? If so, you might as well put a stop to your misery. You can do it if you will. Dr. Pierce's Golden Medical Discovery will make you a different individual. It will set your sluggish liver to work, and your appetite will come back. If there is any tendency in you to indigestion, or if the lungs, it will bring about speedy cure in 98 per cent. of all cases. It is a remedy prepared by Dr. R. V. Pierce, of Buffalo, N. Y., whose advice is given free to all who wish to write him. His great success has come from his wide experience and varied practice.

A MONTAGUEAN ORATION.
The Winchester Star contains the following, which it credits to its staff correspondent at Licksille:
Gov. Montague arose early, and having, according to custom, consulted his dictionary and carefully counted the latest edition of "Phrase and Fable," announced himself ready for the day's work.
The Governor was booked to make the annual address at the commencement exercises of the Afro-American public school at Licksille. The pupils, of whom there was seventeen, of both sexes, listened to the orator with openmouthed attention. The Governor was in splendid trim and his effort was entirely worthy of the occasion and the audience. The Governor said in part:
"I desire to say, fellow citizens, that I am the only living protagonist of the Revival of Old-Fashioned Patriotism. I do not believe in new-fashioned patriotism. New-fashioned patriotism is not ideal, it is not consecrated, nor is it consistent with the finer and higher attributes of civil righteousness. It is the patriotism of the grubworm, with none of the inspiring beauty of the butterfly, the patriotism of a plain common man, who believes it his duty to work for his constituents and to obtain practical results."
"The State of Virginia is cursed today by the presence in the United States Senate of a representative of this new-fashioned patriotism. This man, Martin, who selfishly refuses to give me his seat in the Senate, is one of the worst exponents of this new-fashioned patriotism. He even goes to the extent of securing appropriations for his constituents. He busies himself with such sordid matters as making a great seaport of Norfolk, with improving the commercial facilities of the city of Richmond, and with securing for Virginia churches financial recompense for war spoliation. And, worse than all this, he so far forgets the true dignity of the statesman as to answer promptly all letters written to him by his constituents."
"He also runs to the departments in Washington and transacts business in their behalf; and, to crown all, he admits that he is loyal to his friends."
"Fellow citizens, I demand that you rebuke this man, Martin, by electing ME in his place. I promise you here and now that I will do none of these things. You have all heard how the youthful Hannibal, standing at the altar of his gods, swore eternal enmity to Rome, so I, at a very early age, swore that the State of Virginia owed me a living and I am going to get it."
"To this end I continually devote my Old-Fashioned Patriotism, as to which I am now personally conducting a revival; my civic righteousness; my christian citizenship; and to this great end I also consecrate my social service."
"It is for this that I have constantly demanded the democratization of the public schools, and it is for this that I am here today, that I was elsewhere yesterday, and will be some other place tomorrow."
"Do not misunderstand me, good friends. I do not intend to do any work save to exercise my heaven-born gift of beautiful speech. I never have worked and never will, but I will make such lovely orations in the Senate that the old Senators will gather around me as the bewitched animals did about the divine Orpheus, and I will tell them in words of sweetness and light of the beauties of civic righteousness, of christian citizenship, of social consecration, and of Old-Fashioned Patriotism. Then will these hoary sinners, one and all, leave their evil ways and dwell with me in the sweet contemplation of virtue."
"And now, fellow citizens, and children, I wish to call your attention to a few profound and original thoughts. If you will always keep all of the ten commandments, you will never at any time break one of them. If you want good roads you can have them, provided you build them. Another profound and interesting thought! You can have good schools if the taxpayers contribute enough money, and the teachers are good teachers and the scholars are diligent students."
"Remember, that I am in favor of opening the door of the White House to every male boy, and the door of hope to every female girl. But, above all things, remember that I am the only living statesman who is worthy to wear the shoes of Reeves and the hat of Hunter."
The Governor's oration was frequently punctuated with applause, and at its close the received an ovation. The children fairly fell over each other in their efforts to grasp his hand. A little incident occurred which illustrates the Governor's stern sense of duty. Instead of listening to the oration, Wash Johnston and Julius Caesar Grant were caught playing craps behind Deacon Jones' barn. The Governor solemnly reprehended the culprits and stated that he would report the matter to the Superintendent of Public Instruction.
Tomorrow the Governor will, by invitation, deliver an address to the Society for the Encouragement of Mules, which meets at Hayfield on Applepie Ridge, at 2 p. m. All persons who are interested in the propagation, education and demoralization of mules are cordially invited to attend.

ANOTHER WONDER OF SCIENCE.

Biology has Proved that Dandruff is Caused by a Germ.

Science is doing wonders these days in medicine as well as in mechanics. Since Adam lived, the human race has been troubled with dandruff, for which no hair preparation has heretofore proved a successful cure until Newell's Herpicide was put on the market. It is a scientific preparation that kills the germ that makes dandruff or scurf by digging into the scalp to get at the root of the hair, where it saps the vitality, causing itching scalp, falling hair, and finally baldness. Without dandruff hair must grow luxuriantly. It is the only destroyer of dandruff. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, you have no doubt had shortness of breath, rapid heartbeats, heartburn or palpitation of the heart. Indigestion causes the stomach to expand—swell, and puff up against the heart. This crowds the heart and interferes with its action, and in the course of time the heart becomes diseased.

Kodol Dyspepsia Cure

digests what you eat, takes the strain off of the heart, and contributes nourishment, strength and health to every organ of the body. Cures Indigestion, Dyspepsia, Sour Stomach, Inflammation of the mucous membranes lining the Stomach and Digestive Tract, Nervous Dyspepsia and Catarrh of the Stomach.

After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured. MRS. LORING NICHOLS, Penn. Va., N. Y.

I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me. D. KAUBER, Nevada, O.

Norfolk for Martin

The significance of the first day's voting of the democratic primary for the nomination of Norfolk city officers Tuesday is that it re-elects James V. Trehy, the Clerk of the Corporation Court, by a large majority. Trehy is the leader of the anti-administration faction and his election will make him the leader of the united party in the city. He is a Martin leader and therefore will not favor the candidacy of Governor Montague for the Senate. The reform administration is defeated and disorganized after one term, which was disappointing.

TO THE OWNERS OF DOGS.

Mayor's Office, Alexandria, Va., June 1, 1905.

All persons owning or intending to keep any animal of the dog or canine species must come forward on or before

JUNE FIFTEENTH, 1905,

and take out a license for the same from the Auditor. After the SIXTEENTH OF JUNE all persons owning or harboring dogs without the required license can be fined (as the laws on the subject require) \$5 for every dog so owned or harbored.

Complaint has been frequently made that many persons fail to take out their license, and that others pay on one or two dogs when owning and harboring more, or who send their dogs away during the summer months and bring them back in the fall.

Attention has been called to this evasion of the law, and the policemen will report all such cases, and fines can be imposed upon those who fail to take out licenses after trial in the Police Court.

The police officers will be required to report all violations of this law.

In order to avoid any mistakes persons who make application for licenses would do well to write their names and number of residence, street, &c., on a card or paper when making application for their licenses to the Auditor.
